## NSN 5961-01-379-7471

Unitized Semiconductor Devices - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5961-01-379-7471 **Inclosure Material:** Plastic **Overall Length:** 0.788 inches **Component Name And Quantity:** 6 transistor **Mounting Method:** Terminal **Semiconductor Material:** Silicon all transistor Voltage Rating In Volts Per Characteristic: 20.0 collector to base voltage, dc all transistor **Terminal Type And Quantity:** 14 pin Shelf Life: N/a **Unit Of Measure:** Demilitarization: No

**Fiig:** A110a0
