| Absolute Maximum | Valtage Beting | In Valta Bar | Characteristic  |
|------------------|----------------|--------------|-----------------|
| Apsolute Maximum | voitage Rating | in voits Per | Characteristic. |

40.0 repetitive peak reverse voltage

**Absolute Maximum Current Rating Per Characteristic:** 

10.00 microamperes reverse current, dc

**Mounting Method:** 

Terminal

Material:

Silicon

Shelf Life:

N/a

**Unit Of Measure:** 

--

Demilitarization:

No

Fiig:

A503h0
