Inclosure Material:

Plastic

Overall Length:

0.500 inches

End Application:

A/f-18-dcn e/i fscm 72914

Component Name And Quantity:

2 semiconductor device diode

Mounting Method:

Terminal

Semiconductor Material:

Silicon all semiconductor device diode

Terminal Type And Quantity:

2 knife blade

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A110a0
