Inclosure Material:

Metal

Voltage Rating In Volts Per Characteristic:

1000.0 repetitive peak reverse voltage

Current Rating Per Characteristic:

160.00 amperes drain current nanoamperes

Special Features:

Current source inverter; hi voltage; isolated base plate

Terminal Type And Quantity:

3 tab w/screw

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A110a0
