Overall Height:

Between 0.970 inches and 1.020 inches

Overall Diameter:

Between 3.450 inches and 3.850 inches

Mounting Facility Quantity:

2

Mounting Method:

Threaded hole

Semiconductor Material:

Silicon

Current Rating Per Characteristic:

2.05 amperes all primaries preset

Special Features:

Operates in oil

Thread Series Designator:

Unc

Terminal Type And Quantity:

2 threaded hole

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A110a0
