**End Application:**

P/n rp1/h18156 rp1/h18158 cycloconverter

**Special Features:**

Max values for continuous operation = 450 a; 85 degrees c; hermetic metal cases with ceramin insulators; threaded studs or unf 3/4-16; dc motor control; controlled rectifiers; ac controllers

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A110a0
