End Application:

P/n rp1/h18156 rp1/h18158 cycloconverter

Special Features:

Max values for continuous operation = 450 a; 85 degrees c; hermetic metal cases with ceramin insulators; threaded studs or unf 3/4-16; dc motor control; controlled rectifiers; ac controllers

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:
