End Application:

Helicopters (h1)

Accessory Components And Quantity:

9mica insulating washers 3; nylon insulating sleeve 1; brigh nickel plated carbon steel flat washer 1; bright nickel plated carbon steel flat washer 1; bright nickel plated brass hex nut 1; bright nickel plated carbon steel internal tooth locikwasher

Criticality Code Justification:

Agav

Product Name:

Inavy) transistor, kit analyzer

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
