Major Components:

Transistor assembly 6, transformer 3, shield, flex 1, cca inverter 2, terminal lug assembly 6, inverter, insulator bushing assembly 1, standoff, threaded assembly 3, insulator, plate 6, insulator, silicone 6, bushing insulator 12, washer 6, machine screw 38, washer, flat 38, nut, plain, hex 6, screw captive 5, nut, retainer 5, insulator-assembly of 1, inverter, insulator pad 3

End Application:

Zeuss ari 23333 electronic warfare equipment

Product Name:

Inverter-assembly

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T01200
