Overall Length:

2.000 inches

Major Components:

2 diodes p/n h006674; 1 push-on metal non-insulated connector p/n h006324; heat shrink material .125 x .50 p/n h006828

End Application:

F-15 simulator

Product Name:

Diode assembly

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T01200
