**End Application:**

NHA,-AM-PLI-FIER

**Accommodated Item Securing Device Type:**

Threaded base

**Mounting Facility Type And Quantity:**

1 threaded base single mounting facility

**Product Name:**

Diode holder assembly

**Material:**

Steel comp 303

**Surface Treatment:**

Nickel

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A062a0
