Overall Length:

6.000 inches

Overall Height:

1.000 inches

Overall Width:

2.000 inches

Voltage Rating In Volts Per Characteristic:

20000.0 reverse voltage, peak

Current Rating Per Characteristic:

2.25 amperes collector current, dc

Product Name:

Kilovolt high current rectifier assemblies

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A110a0
