Overall Length:

0.092 mils and 0.104 centimeters

Current Rating Per Characteristic:

80.00 microamperes valley point current

Capacitance Rating In Picofarads:

0.5

Product Name:

Microwave tunnel diode

Special Features:

Planar construction; 100-200 microamperes at ip; 80 microamperes max. At iv

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:
