End Application:

Compressor, ctfgl tt300-g6-1-st-p-o-nc

Product Name:

Diode rectifier

Special Features:

Diode rec/scrm 250a skkh 162/16e; must be ordered via kit p/n 100047-1 (kit- diode rectifiers (sie and fie 380/480v)

General Description:

Kit consists of two diodes/scr's, screws, heat sink compound and installation instructions

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A110a0
