**End Application:**

Compressor, ctfgl tt300-g6-1-st-p-o-nc

**Product Name:**

Diode rectifier

**Special Features:**

Diode rec/scrm 250a skkh 162/16e; must be ordered via kit p/n 100047-1 (kit- diode rectifiers (sie and fie 380/480v)

**General Description:**

Kit consists of two diodes/scr's, screws, heat sink compound and installation instructions

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A110a0
