Overall Length:

2.125 inches

Overall Height:

0.400 inches

Overall Width:

1.125 inches

Operating Temperature Range:

-55.0/+125.0 degrees celsius

Special Features:

Output power: 25 to 30 watts depending on model; weight: 50 grams; hermetically sealed metal cases; number of outputs: triple

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A503h0
