Overall Length:

0.087 inches

Mounting Method:

Unthreaded hole

Voltage Rating In Volts Per Characteristic:

5.0 repetitive peak reverse voltage

Current Rating Per Characteristic:

30.0 milliamperes forward current, average

Product Name:

Surface mount led

Terminal Type And Quantity:

2 bonding pad

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A110a0
