**Overall Length:**

3.70 inches

**Overall Height:**

1.40 inches

**Overall Width:**

1.34 inches

**Major Components:**

Switching power supplies, inverters, choppers, diode

**Product Name:**

Fast recovery diode module

**Special Features:**

Operating temp. -40 to 150 degrees celcius

**Functional Description:**

Fast recovery diode

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T01200
