Overall Length:
3.70 inches
Overall Height:
1.40 inches
Overall Width:
1.34 inches
Major Components:
Switching power supplies, inverters, choppers, diode
Product Name:
Fast recovery diode module
Special Features:
Operating temp40 to 150 degrees celcius
Functional Description:
Fast recovery diode
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T01200
