End Application:

2215000-203

Voltage Rating In Volts Per Characteristic:

80.0 base supply voltage

Current Rating Per Characteristic:

70.0 amperes reverse current, average

Product Name:

Diode, switching, 1a, 80v, 2 element, sot-457

Special Features:

Storage temp -55 to +150 degrees c

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A110a0
