End Application:

B-1 bomber aircraft

Voltage Rating In Volts Per Characteristic:

2.40 base supply voltage and 36.00 base supply voltage

Product Name:

Small signal zener diode

Special Features:

Storage temperature: -65.00 deg. C. To 175.00 deg. C.; weight: 125.00 mg; rohs compliant; lead free;

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:
