**End Application:**

Light emitting diode precision approach path ind. (led papi)

**Product Name:**

Suppressor, 12v

**Special Features:**

Tvs diode 12vwm 19.9vc sma, led free/rohs compliant, operating temps -55 degrees c 150 degrees c (tj), surface mount, power peak pulse 400w

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A110a0
