Body Outside Diameter:

0.370 inches

Body Height:

0.260 inches

Features Provided:

Hermetically sealed

Inclosure Material:

Metal

Inclosure Configuration:

Can

Design Function And Quantity:

1 regulator, voltage

Special Features:

Precision, lead no. 5 connected to case

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A458a0
