NSN 5962-00-767-4131

Integrated Circuit - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5962-00-767-4131

General Description:

Operating temperature range minus 55 degrees c to plus 125 degrees c, 14 pin dual in-line silicone package

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

Yes - demil/mli
