## NSN 5962-00-936-3064

Integrated Circuit - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5962-00-936-3064

## **General Description:**

Quad exclusive or gates, 14 leads, dual in line plastic package, low voltage, unit operating temperature range minus 40 degrees c to plus 85

degrees c

Shelf Life:

N/a

## Unit Of Measure:

---

## Demilitarization:

Yes - demil/mli
