AeroBase Group

View Online at https://aerobasegroup.com/nsn/5962-01-075-6690

Overall Height:

0.325 inches

Overall Width:

0.300 inches

Body Length:

1.070 inches

Body Width:

Between 0.240 inches and 0.260 inches

Body Height:

0.200 inches

Operating Tempurature Range:

-0.0/+125.0 degrees celsius

Storage Tempurature Range:

-65.0/+150.0 degrees celsius

End Application:

An/fsc-80

Features Provided:

Monolithic and programmable

Inclosure Configuration:

Dual-in-line

Output Logic Form:

Transistor-transistor logic

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A458a0
