| End Application:                          |
|---|
| Kc135r acft                               |
| Features Provided:                        |
| Selected item and electrostatic sensitive |
| Criticality Code Justification:           |
| Feat                                      |
| Special Features:                         |
| Electrostatic discharge sensitive         |
| Shelf Life:                               |
| N/a                                       |
| Unit Of Measure:                          |
|   |
| Demilitarization:                         |
| No  |
| Fiig:                                     |
