

View Online at <https://aerobasegroup.com/nsn/5962-01-314-2049>

Features Provided:

Electrostatic sensitive and programmable and ultraviolet erasable

Inclosure Material:

Ceramic

Inclosure Configuration:

Dual-in-line

Output Logic Form:

Complementary-metal oxide-semiconductor logic

Criticality Code Justification:

Feat

Special Features:

Esd

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A458a0
