Body Length:

1.410 inches

Body Width:

1.180 inches

Body Height:

0.174 inches

Features Provided:

Synchronous and w/bent leads and programmed and electrostatic sensitive

Inclosure Configuration:

Dual-in-line

Design Function And Quantity:

4 detector

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A458a0
