

View Online at <https://aerobasegroup.com/nsn/5962-01-369-8477>

Features Provided:

Bipolar and high reliability and monolithic

Inclosure Material:

Silicon

Design Function And Quantity:

2 amplifier, linear

Product Name:

Monolithic microwave integrated circuits

Special Features:

Connectorless

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A458a0
