End Application:

Interceptor sonar duug-7a, exar integrated systems

Inclosure Configuration:

Dual-in-line

Design Function And Quantity:

1 generator, function

Supplementary Features:

Cognizant service - french national marines

Terminal Type And Quantity:

8 pin

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A458a0
