Storage Temperature Range:

-65.0/+150.0 degrees celsius

Product Name:

Lm12 80w operational amplifier

Special Features:

Input protection; controlled turn on; thermal limiting; overvoltage shutdown; output-current limiting; ic withstands overvoltages to 80 v

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A458a0
