**Storage Temperature Range:**

-65.0/+150.0 degrees celsius

**Product Name:**

Lm12 80w operational amplifier

**Special Features:**

Input protection; controlled turn on; thermal limiting; overvoltage shutdown; output-current limiting; ic withstands overvoltages to 80 v

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A458a0
