| Operating Tempurature Range:                                           |
|------------------------------------------------------------------------|
| -55.0/+125.0 degrees celsius                                           |
| End Application:                                                       |
| A/f 18 dcn cage 93322                                                  |
| Features Provided:                                                     |
| Programmable                                                           |
| Inclosure Configuration:                                               |
| Leaded chip carrier                                                    |
| Product Name:                                                          |
| Microcircuit, digital eepal, programmed, 1553 memory control, j-leaded |
| Voltage Rating And Type Per Characteristic:                            |
| 5.0 volts power source                                                 |
| Memory Device Type:                                                    |
| Pal                                                                    |
| Special Features:                                                      |
| Esd                                                                    |
| Terminal Type And Quantity:                                            |
| 20 j-hook                                                              |
| Shelf Life:                                                            |
| N/a                                                                    |
| Unit Of Measure:                                                       |
|                                                                        |
| Demilitarization:                                                      |
| Yes - demil/mli                                                        |
| Fiig:                                                                  |
| A458a0                                                                 |
|                                                                        |
