Operating Temperature Range:

-55.0/+125.0 degrees celsius

End Application:

C-17a acft, fscm 68994

Inclosure Configuration:

Flat pack

Product Name:

Med, gate array

Special Features:

Med, gate array; high reliability field programmable gate arrays

Terminal Type And Quantity:

240 flat leads

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A458a0
