**End Application:**

F16 a/b aircraft

**Special Features:**

Convenient to-220 staggered lead package style; standard Im243x; family pin out which is designed for easy pcblayout; stable with opf-20pf capacitive loads and inductive peaking networks

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A458a0
