Product Name:

Octal d-type flip flops with clock enable

Special Features:

Operating voltage range of 2v to 6v; outputs can drive up to 10 lstdl loads; storage temp range -65 to 150 degrees c; 8 flip-flops with single-rail outputs

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A458a0
