Linear Microcircuit - Page 1 of 1

Fiig: A458a0

View Online at https://aerobasegroup.com/nsn/5962-01-576-7686

End Application:
Microcircuit, linear
Product Name:
Lm135-precision temperature sensors
Special Features:
Directly calibrated in degrees kelvin; 1 degree celcius initial accuracy avaible; easily calibrated; wide operating temperature range; 200
degrees celcius overrange; low cost
Shelf Life:
N/a
Unit Of Measure:
-
Demilitarization:
Yes - demil/mli
