Product Name:

Max 626/7/8-tsc426/7/8 dual power mosfet drivers

Special Features:

Improved second source for tsc426/7/8' fast rise and fall time; wide supply range; low power consumption tt4cmos input comptatible, low r out typically 4; max626 is pin equivalent to tsc426, ds0026/ds0056.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A458a0
