**Reliability Indicator:**

Not established

**Basic Shape Style:**

Rectangular or square

**Inclosure Type:**

Encased

**Installation Design:**

Free-standing

**Special Features:**

Part name assigned by manufacturer dec server 900tm hub-based module no supply; 32 port, high performance rj45 multiprotocol communications support for lat, telnet, slip, tn3270, cslip and ppp protocols

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A32200
