Overall Length:

6.780 inches

Overall Height:

4.840 inches

Overall Width:

1.910 inches

Product Name:

Regulated dc/dc light dimmer

Special Features:

Case and finish - aluminum, black anadized, operating low temperature .55 degrees c, storage low tempeature .55 degrees c, operating high temperature +70 degrees c operating, storage high tempearture +85 degrees c, single output, 7.2a @ (0.0-28) vdc

Specification Data:

81349-mil-a-8625, cl2, ty2 government specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A32200
