Overall Length:

10.000 inches

Overall Height:

9.000 inches

Overall Width:

9.000 inches

Component Quantity:

2

Component Name:

Support handle

Switch Mounting Facilities:

Included

Dial Mounting Facilities:

Included

Material:

Steel, stainless

Material:

Stainless steel

Fsc Application Data:

Antennas, waveguides, and related equipment

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T332-e
