Body Style:

Hand held

Connector Manufacturer Code:

28480

Accessory Components:

Cable and connector

Support Stand:

Not included

Electrical Connection Type:

Integral cable

Connector Identification:

1251-4342

Special Features:

Switch is located on the side of the microphone case

Functional Description:

Used on a test set

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A06400
