Overall Height:

0.156 inches

Overall Diameter:

1.500 inches

Unthreaded Mounting Hole Diameter:

0.031 inches all mounting facilities

Distance Between Mounting Facility Centers:

1.110 inches single mounting facility single center group

End Application:

Vehicular intercommunications systems (vis)

Mounting Facility Type And Quantity:

2 unthreaded hole all mounting facilities

Material:

Fiber

Surface Treatment:

Oxide

Style Designator:

Cup

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A062a0
