Mounting Type:
M5 screw mounting hole x 2
Overall Length:
355.0 millimeters
Overall Height:
210.0 millimeters
Overall Diameter:
226.0 millimeters
End Application:
Misc parts electrical for cvn 0069
Usage Design:
Indoor
Unit Type:
Permanent magnet
Unpackaged Unit Weight:
12.100 pounds
12.100 pounds Individual Loudspeaker Quantity:
Individual Loudspeaker Quantity:
Individual Loudspeaker Quantity: 2
Individual Loudspeaker Quantity: 2 Special Features:
Individual Loudspeaker Quantity: 2 Special Features: Enclosure material: polypropylene resin, color: dark grey
Individual Loudspeaker Quantity: 2 Special Features: Enclosure material: polypropylene resin, color: dark grey Shelf Life:
Individual Loudspeaker Quantity: 2 Special Features: Enclosure material: polypropylene resin, color: dark grey Shelf Life: N/a
