Width:

78.0 millimeters

Length:

60.0 millimeters

Mounting Method:

Clip and y

Impedance Selection Method:

Pin-jack type lead positioning

Noise Canceling Feature:

Included

Electrical Connection Type:

Connector receptacle

Product Name:

Impres rsm with non threaded audio jack, windporting

Special Features:

Noise reduction: windporting, audio jack size: 3.5mm

Height:

28.0 millimeters

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A06400
