Terminal Quantity:

1

Terminal Type:

Connector, plug

Overall Length:

70.00 millimeters

Center To Center Distance Between Mounting Facilities Parallel To Length:

55.88 millimeters

Center To Center Distance Between Mounting Facilities Parallel To Width:

55.88 millimeters

Overall Width:

70.00 millimeters

Transducer Diameter:

50.04 millimeters

Transducer Type:

Diaphragm

Usage Design:

Indoor

Installation Design:

Nonportable

Style Designator:

Square

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A11600
