Wall Thickness:

Any acceptable

Dielectric Withstanding Voltage In Volts:

Any acceptable

Reliability Indicator:

Not established

Inside Diameter:

0.750 inches

Overall Length:

Any acceptable

Environmental Protection:

Any acceptable

Flexibility:

Flexible

Color:

Any acceptable

Material:

Plastic, vinyl-nylon

Material:

Plastic vinyl

Style Designator:

Nonshrinkable

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A22500
