#### Wall Thickness:

0.044 inches

**Reliability Indicator:** 

Not established

# Inside Diameter:

1.500 inches

## **Overall Length:**

Any acceptable

#### **Environmental Protection:**

Abrasion resistant

#### Flexibility:

Flexible

Color:

# Black

Material:

Plastic, nylon

#### Material:

Plastic

# Style Designator:

Nonshrinkable

### Shelf Life:

N/a

## Unit Of Measure:

---

# Demilitarization:

No

## Fiig:

A22500
