Wall Thickness:

0.062 inches

Reliability Indicator:

Not established

Inside Diameter:

0.500 inches

Overall Length:

3.000 feet

Environmental Protection:

Any acceptable

Flexibility:

Rigid

Color:

Natural or black

Material:

Plastic, I-p-509, type 2, grade ce

Style Designator:

Nonshrinkable

Specification Or Standard:

Ce grade and ii type

Departure From Cited Document:

As modified by color

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A22500
